

Call for Applications to Fill Vacancy on the Kappa Kappa Psi Alumni Association Board of Directors

As the administering board for the Kappa Kappa Psi Alumni Association (“KKPsiAA”), the Kappa Kappa Psi Alumni Association Board of Directors (“AABOD”) is responsible for:

- (1) defining the strategic mission of, and directing the initiatives of, KKPsiAA
- (2) developing, implementing, and evaluating various aspects of Kappa Kappa Psi’s alumni programs;
and
- (3) working with all KKPsiAA members to facilitate enhanced alumni involvement in, and engagement with, Kappa Kappa Psi.

In light of AABOD member Nicholas Bratcher’s election as Kappa Kappa Psi National Vice President of Programs at the 2017 National Convention, there is currently a vacancy on the AABOD. In order to achieve the goals of the Kappa Kappa Psi Alumni Association (“KKPsiAA”), the AABOD seeks to fill this vacancy as soon as possible.

Section 2.03 of the recently enacted KKPsiAA Constitution states, in part:

In the event of a vacancy on the AABOD, the current AABOD will solicit applications from its current voting members of KKPsiAA with interest in serving on the AABOD. After reviewing these applications pursuant to the criteria developed by the AABOD and the Board of Trustees, the current AABOD will appoint at its discretion a new member of the AABOD to fill the vacancy.

The AABOD and Kappa Kappa Psi Board of Trustees have developed the following criteria, based primarily on the requirements of the KKPsiAA Constitution, to review applications for the AABOD;

- (1) The candidate must be an alumni, life, or honorary member of Kappa Kappa Psi.
- (2) The candidate must be a current **voting** member of KKPsiAA. (Recent graduates with provisional, non-voting membership in KKPsiAA would need to become voting members of KKPsiAA in order to be eligible. If alumni or honorary brothers, these members would need to complete the necessary documentation and pay their annual KKPsiAA dues of \$50. If Life Members, these brothers would need to complete the documentation required for free KKPsiAA membership.)
- (3) The candidate must possess outstanding business or professional ability.
- (4) The candidate must be capable of representing KKPsiAA under all conditions.
- (5) The candidate must **not** be a National Officer, District Governor, or member of the Board of Trustees of Kappa Kappa Psi.
- (6) The candidate must **not** be a current employee of Kappa Kappa Psi.

The AABOD welcomes applications from all alumni, life, and honorary brothers who meet these criteria and share an interest in serving our fraternity and KKPsiAA. Applicants are asked to provide a one-page letter

and resume by September 20th, 2017 that highlights her/his qualifications and ideas. These application materials should outline:

- (1) the professional skills, talents and expertise of the applicant;
- (2) suggestions for programs, initiatives, and projects for KKPsiAA; and
- (3) ideas regarding the recently-published biennium goals and initial action items of KKPsiAA.

Please note that there is only one vacancy on the AABOD. While the departed member of the AABOD previously held the position of Musicianship Director, the AABOD will assess all applicants on the basis of their submissions. The AABOD seeks to add a member to its ranks that represents the best possible choice and fit for service with the current AABOD members, and it is open to shifting its director roles and/or specific director responsibilities in order to take full advantage of the specific talents and credentials of its newest member.

If you are not alumni, life, and honorary brother of Kappa Kappa Psi, but you know such a brother who would be an asset to the AABOD, please encourage her or him to submit an application. If you choose to nominate such brothers, we will be happy to encourage all who are nominated to apply formally for this position.

The AABOD will meet to review, discuss, and vote on all submitted applications on or before October 8th, 2017. The announcement of the new member of the AABOD will occur on or before October 15th, 2017.

All applications, questions, and nominations should be addressed to Daniel Miller, Chair of the AABOD, at alumni@kkpsi.org.
